## Gifts Passion Skills

### What's your GPS?

Names: \_\_\_\_\_

Wise Temple is a caring community. A community that supports one another, that contributes to our sacred efforts, and that shares in the work of our congregation. Each and every congregant plays an important role in this caring community.

#### Your GPS:

Consider where you are and where you're headed within your Wise Temple community.

- Think about your **Gifts**... what you can bring to this space, to this community.
- Think about your **Passions**... the ideas that mean the most to you.
- Think about your **Skills**.... the abilities, strengths, and experiences you can contribute to the work of your congregation.

#### Navigating your way:

As you discover your path at Wise Temple, remember that both the journey and the destination can hold great reward. Some of the greatest satisfaction can come from using your talents in a meaningful way, and from being an active part of the work of the Temple. You'll be surprised by what you *get* when you *give*.
