

Operation Give Back (OGB) is a non-profit organization located in Blue Ash, providing assistance to children and families in need living in the Blue Ash, Montgomery, Sharonville, Sycamore Township and Symmes communities.

Prior to the start of school, OGB collects new back packs and school supplies for students in grades K-12. Over 700+ backpacks filled with needed school supplies are distributed to area students in early August. Below is a list of **NEW items** we are collecting for the School Supply event in August:
